This document must be sent by registered mail.

439. A distributor may not subordinate the making of a contract to the making of an insurance contract with the insurer specified by the distributor.

The distributor may not exercise undue pressure on the client or use fraudulent tactics to induce the client to purchase a financial product or service.

440. A distributor that, at the time a contract is made, causes the client to make an insurance contract must give the client a notice, drafted in the manner prescribed by regulation of the Authority, stating that the client may rescind the insurance contract within 10 days of signing it (the Insurer gives you 15 days).

441. A client may rescind an insurance contract made at the same time as another contract, within 10 days of signing it (the Insurer gives you 15 days), by sending notice by registered or certified mail.

Where such an insurance contract is rescinded, the first contract retains all its effects.

442. No contract may contain provisions allowing its amendment in the event of rescission or cancellation by the client of an insurance contract made at the same time.

However, a contract may provide that the rescission or cancellation of the insurance contract will entail, for the remainder of the term, the loss of the favourable conditions extended because more than one contract was made at the same time.

443. A distributor that offers financing for the purchase of goods or services and that requires the debtor to subscribe for insurance to guarantee the reimbursement of the loan must give the debtor a notice, drawn up in the manner prescribed by regulation of the Authority, stating that the debtor may subscribe for insurance with the insurer and representative of the debtor's choice provided that the insurance is considered satisfactory by the creditor, who may not refuse it without reasonable grounds. The distributor may not subordinate the making of the contract of credit to the making of an insurance contract with the insurer specified by the distributor.

No contract of credit may stipulate that it is made subject to the condition that the insurance contract subscribed with such an insurer remain in force until the expiry of the term, or subject to the condition that the expiry of such an insurance contract will entail forfeiture of term or the reduction of the debtor's rights.

The rights of the debtor under the contract of credit shall not be forfeited when the debtor rescinds, cancels or withdraws from the insurance contract, provided that the debtor has subscribed for insurance with another insurer that is considered satisfactory by the creditor, who may not refuse it without reasonable grounds.
